Introduction

MAJOR COMPANIES OF EUROPE is a long-established multi-volume directory of over 44,500 of Western Europe's largest companies. Published and updated annually this 28th edition offers unrivalled access to key data on Europe's most important companies. Used by business executives, bankers, investment analysts, and researchers, the directory quickly identifies potential customers, trading partners, joint venture prospects, or acquisitions in the dynamic European marketplace.

Volume 1 of the 7 volumes set covers Cyprus, Greece, Italy, Israel, Malta, Portugal, Spain and Turkey.

Volume 2 covers France and Monaco.

Volume 3 covers Germany.

Volume 4 covers Austria, Belgium, Liechtenstein, Luxembourg, Netherlands and Switzerland.

Volume 5 covers Denmark, Finland, Iceland, Norway and Sweden

Volume 6 covers Bulgaria, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Poland, Romania, Slovakia and Slovenia.

Volume 7 covers UK and the Republic of Ireland.

The volumes may be acquired individually or as a 7 volume set (at a considerable price saving), depending on reader preference.

The data provided for each company includes, as available:

Guide to the arrangement of this book

This book has been arranged in order to allow the reader to find any entry rapidly and accurately.

Company entries are listed alphabetically within each country section; in addition three indexes are provided at the back of the directory.

The alphabetical index to all companies lists companies in alphabetical order irrespective of their main country of operation.

The alphabetical index to companies within each country lists companies by their country of operation. In both of these indexes companies with names such as F Armida y Cia can be found listed as Armida, F, y Cia.

The SIC (Standard Industrial Classification) business activity index lists companies by their various business activities within their main country of operation. These SIC index categories are listed at the beginning of the business activities index.
